Subject: Urgent Repair of tube well installed in the Italian Embassy Cultural Centre

Dear Mr. Sukhwant Singh,

Further to the e-mail correspondence with this Cultural Centre it is confirmed that ~~that~~ the motor that draws water from the tube well and fills overhead tank has not been pumping up enough water and with requisite pressure.

You are therefore requested to depute urgently your technicians to extract and check the motor, the submersible pump and the ground water levels of the tube-well along with the tubes in order that any abrupt disruption of water supply could be avoided.

As discussed and in view of the urgency of the job, your estimate for the above works could be made known only after the pump and tubes are extracted, damage assessed and analyzed for new parts/items plus cost of labour charges.

Payment will be made after the job is done to our satisfaction and upon submission of the completion report along with the requisite invoice in two originals. Please note that you will be required to mention this Embassy's GSTN 0717ITA00063 UNB on your Invoice.

TERMS AND CONDITIONS:

For security reasons your Firm must furnish the names and the duration of entry of all the workers and supervisors deployed by you inside the premises of the Cultural Centre, so that the necessary permissions may be granted to them.

All necessary tools and instruments required for this job will be brought to the site by your Firm.

Your Firm takes full responsibility of the safety of all your workers dealing with their jobs. You shall provide all your workers with proper safety while doing the job assigned to them under the purview of this contract inside the premises of this Cultural Centre. The workers shall invariably be donning protective masks and gloves as prescribed by the Government authorities in order to contain the
